May 31, 2017 15:00–17:00

CERGE-EI, Politických vězňů 7, Prague 1

Embassy of Switzerland in Prague and think tank IDEA at the Economics Institute of the Czech Academy of Sciences invite you to attend a lecture followed by a panel discussion

THE EXCHANGE RATE AS A MONETARY POLICY INSTRUMENT

What do we know from theory and what can we learn from the empirical experience of Switzerland and other countries?

Key note
speaker:

Philippe Bacchetta

Professor, University of Lausanne, Swiss Finance Institute

Moderator: **Jan Švejnar** | *Director, IDEA think tank at the Economics Institute of the Czech Academy of Sciences*

Panelists: Philippe Bacchetta | *Professor, University of Lausanne, Swiss Finance Institute*
Jan Švejnar | *Director, IDEA think tank at the Economics Institute of the Czech Academy of Sciences*
Tomáš Holub | *Director, Monetary Department of the Czech National Bank*
Jaromír Hurník | *Expert, OG Research*

Simultaneous interpretation will be provided. The presentations and panel discussion will be followed by refreshments.
